

## Server Hardware

- Pentium Quad Core blade, 2.6+ GHz, 4 GB RAM or more
- 25 GB available hard drive space; 350 GB or more recommended
- CD ROM drive (installation media)
- Backup hardware and software. Recommended daily backups of CNE<sub>x</sub>T databases
- Fixed IP address for HL7 router [CAS only]

**Note:** A dedicated server is *not* required and may be virtualized. No requirements for monitor, keyboard, and other peripherals

## Server Software

- Windows Server 2000; Windows Server 2003; Windows Server 2008; Windows Server 2008 R2 (64-bit)
- SQL Server 2000 or later [CNE<sub>x</sub>T/Enterprise and CAS]
- Web access to C/NET Solutions Secure Server for updates

**Note:** Older Operating Systems, such as NetWare or Windows NT 4 can be supported as a transition plan but are not recommended.

## Workstation Hardware

- Pentium 2.6GHz; 2GB RAM or more
- 10 GB available hard drive space or more
- CD ROM drive (installation media)
- Video card and monitor capable of displaying 1024 x 768, 32 bit color or better
- Network access to server and web access to C/NET Solutions Secure Server for updates
- Windows compatible printer
- Reliable backup method strongly recommended
- Physical location recommended in IT or in the Cancer Registry office [CAS Service Manager]
- Fixed IP address [CAS Service Manager]

**Note:** Applies to all CNE<sub>x</sub>T configurations and CAS Service Manager. No requirements for monitor, keyboard, and other peripherals

## Workstation Software

- Windows XP Professional SP2 or later; Windows Vista Professional; Windows 7 Professional
- Windows 2008 only with Microsoft Word and Excel 2007 or 2010
- Microsoft Office 2003 Professional or later
- Internet Explorer 7 or later; FireFox 3.6 or later
- For technical support and transmitting cases electronically: web, FTP, and email access
- Email client (Outlook, Thunderbird, Gmail, etc)

**Note:** For management of SQL Server, install Microsoft SQL Server Client utilities (with appropriate users and permissions granted on all product databases). [CNE<sub>x</sub>T/Enterprise and CAS].
